

CA-NV SECTION of the AMERICAN WATER WORKS ASSOCIATION
Water Resources Division
2018 Annual Desalination & Recycled Water Committee Report

MISSION: The committee's mission is to promote the safe, effective and economical use of recycled water. The committee will maintain a leadership role in the development of recommendations and guidelines for the use of recycled water that are consistent with regulatory requirements. The committee will provide a variety of educational programs including publications, presentations and training workshops to disseminate information related to recycled water. The committee will provide liaison and work jointly with Section and National committees, regulatory agencies and other organizations with similar interests and goals. This committee reports to the Water Resources Division

LEADERSHIP/SUCCESSION PLANNING

Chair	Vice Chair	Secretary	Members	YP Members (estimate)
Sunny Wang	Melanie Tan	Anya Kaufmann	18	5

How will any leadership vacancies or low number (<10) of committee members be addressed?

Leadership vacancies have been addressed through recruitment of YPs to serve as member at large and rotate into leadership positions.

Recruitment to increase committee membership will be discussed in the upcoming Fall 2018 committee meeting.

MEETINGS

List meetings (including calls) over the past year plus next planned. Agenda emailed a week before meeting? Minutes posted 1 month after meeting?

Date	Location	Purpose	Agenda	Minutes
10/xx/17	Reno, NV	AFC17	Yes	Yes
10/22/18	Rancho Mirage, CA	AFC18	Yes	-

WORK PLAN/ACCOMPLISHMENTS

All committees should produce multiple deliverables to CA-NV Section membership each year. Deliverables include: conference sessions, Source Magazine articles, manuals, minutes, etc. Please list your committee accomplishments over the past year plus planned deliverables over the next three years.

CERTIFICATION: None

CONFERENCE/TECHNICAL PROGRAMS: Produced conference programs for AFC 17, special CA/NV desal and recycled water track for AWWA ACE 2018 held in Las Vegas, NV, and have a full one day program for AFC 18.

EDUCATION: Organized full day workshop in March 2017 for Southern California and Northern California focusing on latest industry developments (e.g., regulatory framework for potable reuse, treatment technologies, and projects) in desalination and recycled water. Planning efforts for 2019 workshop is currently underway.

GOVERNMENT AFFAIRS: None, but the committee aims to engage and increase involvement in advancement of potable reuse regulations in California in the near future.

MEMBER ENGAGEMENT & DEVELOPMENT [Student Chapters and Women's Networking???)

Awards: _____

Source Magazine/Other publications: _____

Website/Social Media: _____

Young Professionals: Do each of your committees have multiple YP members? What measures are in place to continually foster and maintain YP participation? _____

Yes, the committee has multiple YPs as members and majority of the committee leadership are made up of YPs in an effort to increase YP participation.

PHILANTHROPY (CEC, Scholarships, and WFP): _____

MANUALS/OTHER: _____

ORGANIZATIONAL EFFECTIVENESS: In an effort to be efficient with volunteer and staff resources, Divisions ask each Committee to assess itself on a continual basis. Does your committee name and mission accurately reflect your work? Does your committees have assigned deliverables?

The committee is working on revising its mission statement as it has not been updated since the desalination and recycled water committees were merged into one. A draft mission statement will be presented at the upcoming committee meeting at AFC 18.

ORGANIZATIONAL SUPPORT: How can the Division or staff assist you in accomplishing your work plan (resources, information, procedures, training, website...)?
