ORGANIZATIONAL EFFECTIVENESS: In an effort to be efficient with volunteer and staff resources, Divisions ask each Committee to assess itself on a continual basis. Does your committee name and mission accurately reflect your work? Does your committees have assigned deliverables?

In the past we have focused on just the technical sessions and papers. We are currently trying to also support section members and other committees with using technology in a very practical way. Also trying to work with other committees such as YPN.

ORGANIZATIONAL SUPPORT: How can the Division or staff assist you in accomplishing your work plan (resources, information, procedures, training, website...)?

Staff: Need help with setting up the app help desk.
