

## CA NV AWWA Student Chapter Committee – Oh to be young again! Oct 2018 Board Report

UCD AWWA Student Chapter 2018-19 Beginning of the Year BBQ – 25 Students, 1 Faculty Member, and One Old CA NV AWWA Member. Can you find the Old CA NV AWWA Member? 23 Student AWWA Member Applications were collected at the event that the Section office is sponsoring!

The AWWA Student Chapter for academic year 2018-19 is off and running. We have the following Student Chapters that are active this year starting south and heading north:

- San Diego State University
- Cuyamaca College
- Cal Poly Pomona
- UCLA
- Ventura College
- UC Berkeley
- UC Davis

We have at least one Section Liaison assigned to all chapters except for Ventura College and UCLA. We need a 2<sup>nd</sup> liaison for Cal Poly Pomona. We need to confirm if

UNLV is still active and if San Jose State University and Fresno State University will be coming back to live with a student chapter this academic year.

So, if you are looking to stay young again, are active on a Section Committee or on the Board, we ask you to consider joining the liaisons ranks.

Your liaison assignment will include to support and provide a connection between the Student Chapter and the Section and AWWA. You should attend meetings on a regular basis in person or via conference call with your Student Chapter officers; help them answer questions by finding the right person within the Section or AWWA to respond (Armando Apodaca is the best person to contact at the Section office or Tim Williams, Chair of the Committee is an option) identify speakers to give presentations or tours of exciting water related facilities (water, wastewater, or stormwater) as Student learning opportunities; get the word out on scholarships, and intern or full-time positions; if your Student Chapter has representatives at the conference make sure and meet, greet, and show them the ropes; and help brainstorm other networking and learning opportunities

In addition, you will be an automatic member of the CA NV AWWA Student Chapter Committee and encouraged to attend committee meetings to report to the CA NV AWWA Student Chapter Committee the health and well-being of the group.

Contact Tim Williams ([timwilliams@kennedyjenks.com](mailto:timwilliams@kennedyjenks.com) or 916-858-2722) if you are interested in becoming a liaison.
